Thank you for agreeing to make the United Way 2010 Campaign the best ever. Your decision to work with us this year gives a great sense of satisfaction and confidence that we can make this the best ever.

It is important that all drive team members attend each of these scheduled drive meetings to ensure your division is able to complete your assigned tasks with the least amount of stress and complication. The United Way staff and campaign chairs, Marc Woods and Jackie Sciarra, are committed to making this year's drive work as smoothly as possible, but we can only do it with your support and participation. Please call the office with your reservation for each meeting. Please contact the office, 522-5450, fax, 524-8176, or jcunited@jacsy.org as soon as you have a question, need help or just want some additional information or support.
