

No one really makes it on his or her own. We may work hard to achieve our goals, but our success is due in part to the opportunities that come along throughout our lives. Each of us has a role in fostering greater opportunities for others in our community. Supporting United Way is one of the best ways I can think of to make this happen.

Jim Ziemer, President & CEO Harley-Davidson, Inc.
And 2008 Greater Milwaukee United Way
Community Campaign Co-Chair
